Agreement for the Rural Fire Capacity Program of the
Cooperative Forestry Assistance Act of 1978

THIS AGREEMENT, made and entered between the STATE of California, acting through the Director of the Department of Forestry and Fire Protection hereinafter called "STATE", and Linden-Peters Fire District hereinafter called "LOCAL AGENCY", covenants as follows:

RECITALS:

1. STATE has been approved as a passthrough agent of the United States Department of Agriculture, (USDA), Forest Service for the purpose of administering the Rural Fire Capacity program in California, hereinafter referred to as RFC, authorized by the Cooperative Forestry Assistance Act (CFAA) of 1978 (PL 95-313, 92 Stat 365, 16 U.S.C. 2101-2114), as amended.
2. This is a subaward under the 2021 Rural Fire Capacity Grant #21-DG-11052012-138 awarded to STATE by the Forest Service on July 21,2021. The CFDA for the award is 10.664, Cooperative Forestry Assistance. This subaward is funded solely with Federal funds and is subject to the Office of Management and Budget (OMB) guidance in subparts A through F of 2 CFR Part 200, as adopted and supplemented by the USDA in 2 CFR Part 400, and under certain terms and conditions to LOCAL AGENCY to assist LOCAL AGENCY to upgrade its fire protection capability.
3. LOCAL AGENCY desires to participate in said RFC and agrees to the terms and conditions specified in the Procedural Guide for Rural Fire Capacity Program 2021.

NOW THEREFORE, it is mutually agreed between the parties as follows:

4. **APPROVAL: This Agreement is of no force or effect until signed by both parties and approved by the Department of General Services, if required. LOCAL AGENCY may not commence performance until such approval has been obtained.**
5. **INCORPORATION: The Procedural Guide for Rural Fire Capacity Program 2021, submitted Application for Funding and associated Grant Assurances are hereby incorporated by reference as part of the Grant Agreement.**
6. **TIMELINESS: Time is of the essence in this Agreement.**
7. **FORFEITURE OF AWARD: LOCAL AGENCY must return this Agreement and required resolution properly signed and executed to STATE at the email address specified in paragraph 12, with a timestamp no later than December 1, 2021 or LOCAL AGENCY will forfeit the funds.**

8. **GRANT AND BUDGET CONTIGENCY CLAUSE:** It is mutually understood between the parties that this **Agreement** may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds, to avoid program and fiscal delays that would occur if the **Agreement** were executed after that determination was made.

This **Agreement** is valid and enforceable only if sufficient funds are made available to the STATE by the United States Government for the **State Fiscal Year 2021** for the purpose of this program. In addition, this **Agreement** is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this **Agreement** in any manner.

The parties mutually agree that if the Congress does not appropriate sufficient funds for the program, this **Agreement** shall be amended to reflect any reduction in funds.

The STATE has the option to invalidate the **Agreement** under the 30-day cancellation clause or to amend the **Agreement** to reflect any reduction in funds.

9. **REIMBURSEMENT:** STATE will reimburse LOCAL AGENCY, from funds made available to STATE by the Federal Government, an amount not to exceed **\$9,358.25** on a 50/50 matching funds basis, for the performance of specific projects and/or purchase of specific items identified in Proposed Project, Application for Funding, attached hereto. **Reimbursement will be only for those projects accomplished and/or items purchased between THE LAST SIGNATORY DATE ON PAGE 1 and JUNE 30, 2022.** This sum is the sole and maximum payment that STATE will make pursuant to this Agreement. **LOCAL AGENCY must bill STATE at the e-mail address specified in paragraph 12, with a timestamp no later than September 1, 2022 in order to receive the funds.** The bill submitted by LOCAL AGENCY must clearly delineate the projects performed and/or items purchased. A vendor's invoice and proof of payment to vendor(s) must be included for items purchased.
10. **LIMITATIONS:** Expenditure of the funds distributed by STATE herein is subject to the same limitations as placed by the RFC, upon expenditure of United States Government Funds. Pursuant to 2CFR200.313 Equipment, subject to the obligations and conditions set forth in that section; title to any equipment and supplies acquired under this **Agreement** vests with the LOCAL AGENCY. For any equipment items over \$5,000, the federal government may retain a vested interest in accordance with paragraph 16 below.
11. **MATCHING FUNDS:** Any and all funds paid to LOCAL AGENCY under the terms of this **Agreement**, hereinafter referred to as "RFC Funds", shall be matched by LOCAL AGENCY on a dollar-for-dollar basis, for each project listed on attachment(s) hereto identified as "Proposed Project". No amount of unpaid "contributed" or "volunteer" labor or services shall be used or consigned in calculating the matching amount "actually spent" by LOCAL AGENCY.

LOCAL AGENCY shall not use RFC Funds as matching funds for other federal grants, including Department of Interior (USDI) Rural Fire Assistance grants, nor use funds from other federal grants, including USDI Rural Fire Assistance grants, as matching funds for RFC Funds.
